

# Material Safety Data Sheet

## Brewers Yeast

### 1. Material Identification

<b>Product/Chemical Name:</b>	Brewer's Dried Yeast	Rev. June 1, 2011
Distributed by: Pestell Minerals & Ingredients, New Hamburg, ON Canada		
24 Hour Emergency Telephone: (Canutec) 613-996-6666		

### 2. Hazardous Ingredients

<b>Component:</b>	No hazardous components
-------------------	-------------------------

### 3. Physical Data

Boiling Point: 100oC	Melting Point: N/A	Vapor Pressure: N/A
Specific Gravity: N/A	Volatile by Volume: N/A	Vapor Density: N/A
Solubility in Water: Partially	Evaporation Rate: N/A	-
Appearance and Odor: Light tan color - Yeast like sweet odor		

### 4. Fire and Explosion Data

**Flashpoint and Method:** Non flammable

**Ignition Temperature:** Not known

**Flammable Limits (%):** N/A

**LEL/UEL:** Not Tested

**Extinguishing Media:** Water if required

**Special Fire Fighting Procedures and Precautions:** None

**Unusual Fire and Explosion Information:** Airborne concentrations of dust greater than 20-grams/cubic meter combined with sources of ignition.

## 5. Health Hazard Data

**Primary Routes of Entry;** Inhalation in dry state    Skin: No    Ingestion: Yes

**Health Hazards: Acute Effects of Overexposure:** Inhalation of high airborne concentrations of this material, in its dry state, can result in congestion of the upper respiratory tract.

**Chronic Effects of Overexposure:** No health hazards due to long term chronic exposure.

**Carcinogenicity:**

**NTP:** NO    **IARC Monographs:** No    **OSHA Regulated:** No

**Signs and Symptoms of Exposure:** Difficulty in breathing

**Medical Conditions Generally Aggravated by Exposure:** Congested upper respiratory tract could lead to increased difficulty in breathing and over exertion of the circulatory system.

## 6. Reactivity Data

**Stability:** Stable

**Hazardous Polymerization:** Will not occur

**Conditions to Avoid:** None

**Incompatibles:** None

**Typical Decomposition Products:** None

## 7. Preventive Measures

### Spill or Leak Procedures

Contain and remove by mechanical means

### Disposal

Disposal must be in accordance with applicable Federal, State or Local regulations

**Control Measures**

Respiratory Protection: Air purifying respirators with cartridges for dust and mists in environments of high airborne dust concentrations.

**Ventilation:** Local Exhaust - For total airborne dust concentrations above 15 mg/m<sup>3</sup>

**Mechanical General:** Yes

## 8. First Aid Procedures

**Skin:** None

**Eyes:** Immediately flush eyes with plenty of water for at least 15 minutes

**Inhalation:** Move exposed person to fresh air. If not breathing give artificial respiration. Get medical attention immediately.

**Ingestion:** If swallowed do not induce vomiting. If vomiting occurs, keep head below waist level. Get medical attention immediately.
